

2016 Elect Her Schedule

We'd love to have Running Start Supporters and Alums join us at Elect Her trainings: contact us at info@runningstartonline.org if you're interested in attending.

❖ Indicates trainings facilitated by Running Start Staff.

Elect Her is a daylong training program that encourages college women to run for student government on their college or university campuses. Research has shown that women who run for student body elections in college are more likely to run for office as adults—56% of women in Congress participated in student government. Elect Her teaches college women the skills to run successful student body campaigns. Elect Her is a collaboration of AAUW and Running Start.
